Description

Rat Glue Pad LargeSize | Get rid of Rats

Glue Pads Large Size- peanut flavor glue is a specialized range of traps designed primarily to catch mice & rats for home & professional use. This Glue trap is manufactured with an attractive peanut flavor hence, is ready to use. Glue traps ensure safety & eliminate the use of poison.

Direction for use

Gently open the glue trap.

- The best placement of a Large glue trap is inside Bait Station or on the out-of-the-way location where rats are highly monitored (areas includes darken areas, along walls behind appliances & furniture).
- If no success over a period of time, change the location of the trap.
- Once rats/ mice are glued to the board, put oil on pad or put glue pads in luke warm water to ditach rat from it.
