

GRILL CLEANER

Heavy Duty Degreaser

Product Overview

Orion Pro Grill Cleaner is a heavy-duty degreaser formulated for professional kitchen use. It penetrates and dissolves stubborn carbon deposits, burnt-on grease, and food residues from grills, ovens, hoods, and other cooking equipment. Ideal for commercial kitchens, restaurants, hotels, and food service operations.

Key Features & Benefits

- High-Strength Formula – Targets burnt-on fats, carbon and proteins.
- Quick Action – Loosens grime within minutes of application.
- Ready-to-Use or Concentrated – Flexible application depending on need.
- Non-Foaming – Suitable for vertical surfaces and exhaust cleaning.
- Safe on Metal Surfaces – Does not corrode stainless steel.

Directions for Use

- Use undiluted for tough grease and grill plates.
- For moderate soiling, dilute up to 1:3 with water.
- Apply using a brush, sponge or spray. Allow 5–10 minutes contact time.
- Scrub if necessary. Rinse thoroughly with clean water.
- **Do not use on aluminium or painted surfaces.**

Storage & Handling

- Store in original container, tightly closed.
- Keep away from acids and incompatible materials.
- Do not expose to direct sunlight or extreme temperatures.
- Use in well-ventilated areas.

Packaging Options

- 5L Containers
- Custom sizes available on request for institutional buyers.

Shelf Life

24 months from date of manufacture in sealed container.

Consult your HNW Representative for specific use instructions and recommended dispensing equipment. For cautionary and first aid information, please refer to the Safety Data Sheet (SDS) or product label.
