

MANUAL DISHWASH

Concentrate Manual Dishwash Detergent

Product Overview

Orion Pro Manual Dishwash is a concentrated dishwashing liquid designed for manual cleaning of dishes, utensils, cutlery, and cookware in commercial kitchens. Its gentle yet effective formula removes grease, food residues, and stains while being safe on hands and surfaces.

Key Features & Benefits

- Powerful Degreasing – Cuts through oils, fats, and stubborn residues.
- Skin-Friendly Formula – pH balanced and gentle on hands.
- Rich Cleaning Action – Provides excellent cleaning with minimal product.
- Quick Rinsing – Leaves no residue or film on washed items.
- Pleasant Fragrance – Enhances the washing experience.

Directions for Use

- For sink or tub use: Dilute 5-10 ml in 1 litre of warm water.
- For direct application: Apply a few drops on a sponge or scrub pad.
- Wash items thoroughly and rinse with clean water.

Storage & Handling

- Store in a dry, cool area away from direct sunlight.
- Keep container tightly closed when not in use.
- Do not mix with other cleaning agents.
- Avoid contamination of unused product.

Packaging Options

- 5L Containers
- Custom sizes available on request for institutional buyers.

Shelf Life

24 months from date of manufacture in sealed container.

Consult your HNW Representative for specific use instructions and recommended dispensing equipment. For cautionary and first aid information, please refer to the Safety Data Sheet (SDS) or product label.
